Escape from the ordinary

TIVOLI
ILOVIT

SYMC 201707 LHD ENGLISH Printed in KOREA

Get on board! Tivoli is ready to take you to new places

It's exciting to see and easy to get around in

The Tivoli offers great style, class-leading safety and dynamic driving for active lifestyle seekers. This compact SUV is designed to exceed your expectations in every way: an all-new platform, newly styled body with a dynamic urban look, trendy interior, various engine line-up, and best-in-class safety features.

The Tivoli is a proud performer
on-road and off

The dynamic urban persona is irresistible!
The utility and flexibility make every trip a pleasure.

Offering a new face to lead the charge

The smooth styling exudes confidence and excitement

The front styling of the Tivoli projects a strong and purposeful sense. Width is accentuated by the slim line extending from the grille to the headlamps, reminiscent of a bird's wings in flight. The two-tone front bumper and dynamic air intake convey the feeling of power.

HID head lamp assembly crowned by a series of LED daytime running lights

Two-tone front bumper with LED front fog lamps

Sporting, side view

The profile is where the styling starts

The A-Pillar and wide C-Pillar are garnished in glossy black, while a continuous line of chrome unifies the look front to rear.

Outside mirror with built-in LED side repeater

Chrome moulding outlines the bonnet and forms the beltline

Presenting balance and accessibility behind

Tivoli's rear section puts the finishing touch on a confident and youthful look

The tail-lamp assemblies seamlessly unite the side with back, while the rear bumper provides a solid base with an expansive tailgate resting above and a rear fog lamp centrally embedded below.

LED rear combination lamps

Rear bumper and fog lamp

Displaying an intelligent feel inside

The premium interior has been meticulously designed for maximum efficiency, space utilisation and occupant comfort. The result is a modern, luxurious and surprisingly roomy cabin for a compact SUV.

Red interior
Premium red leather
seat covers with black trim

Personalise your mood, operate with ease

The sporty D-shaped steering wheel is ergonomically designed for optimal grip, and the steering column is tilt and height adjustable for greater driving comfort and easier ingress and egress. The premium leather covering provides a superior tactile feel and can be heated for greater comfort on wintry days. The cylindrical instrument cluster sharpens driver focus and enhances driving pleasure. Unique to this class, the cluster illumination can be set to any of six subtle background colours: red, blue, sky-blue, yellow, white, and black.

Telescopic and tilting steering wheel

Sporty D-cut steering wheel with heating

Smart Steering

The driver can choose among three different steering wheel sensitivity modes to provide just the right degree of responsiveness for specific operating conditions.

Sport

Sport mode boosts steering responsiveness at high speed to ensure maximum operational control and precision.

Normal

Select the Normal mode to maintain the regular amount of steering wheel effort when driving at medium and high speeds.

Comfort

The Comfort mode makes easy work of steering maneuvers when parking or going at low speed.

Navigation by TomTom

7" navigation system (Europe)

Bluetooth hands-free and audio functions

HDMI terminal for a portable device, connectable to the 7" colour display

(The HDMI connection only supports audio while the vehicle is in motion, and functions can be restricted depending on smart phone type)

Brown interior

Beige interior

Red interior

Built-in variability for maximum comfort and utility

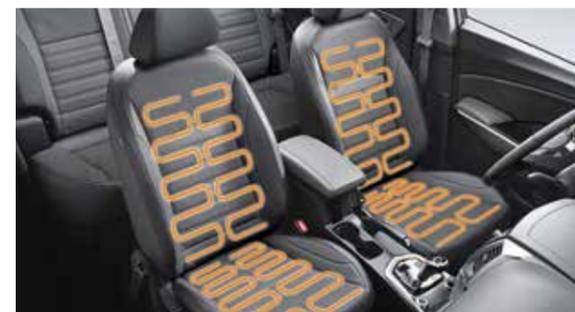

The seat materials and functions have been carefully selected to create the sports car look and feel. All recline and are adjustable; the premium seat covers feel great and the quilt stitch design imparts an exclusive air. Three interior colour packages are now available, including brown, each providing a distinctive interior ambience aimed at younger vehicle owners. The leather seat covers, colour trim, and centre armrest come in red, beige or brown, while the metallic grain has a glossy finish.

Black interior

Ventilated front seats

Heated front seats

Rear seat inclined 32.5°

Hidden storage and seating configurations galore

Tailor your interior space to fit your needs

The spacious (423-litre) cargo bay can accommodate three full-sized golf bags, and the second seat row folds completely flat or 60:40 for even more carrying capacity. The second-row seatbacks recline up to 32.5°, providing passengers with greater comfort on long trips. The Tivoli provides numerous storage spaces around the interior, including a centre console large enough to carry a tablet PC, glove box with inner tray, open tray and luggage tray. The side pockets on all four doors are large enough to hold a 1.5-litre bottle.

A wide choice of vivid exterior colours

Make your own statement on how the ideal SUV should look

With the younger owner particularly in mind, Tivoli comes with a choice of various exciting exterior colours along with eight two-tone body and roof colour combinations to ensure style individuality. A fashionable silver rail is available with the white roof, while a sleek black rail is optional with the black roof. Colour selections are matched with either 18" diamond-cut alloy or black alloy wheels.

Extending the boundaries with new technologies

Power up your motoring!

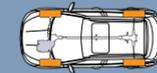

Tivoli's powertrain is compact, efficient and reliable, with a choice of Euro VI-compliant petrol and diesel engines. NVH is superb. The petrol-powered e-XGi160 features a variable induction manifold system that automatically adjusts intake length to engine rpm and load. Performance is especially enhanced at medium and high speeds. The diesel e-XDi160 delivers maximum torque at low speed and optimal performance at low and medium speeds, where most everyday driving is done. A fifth-generation electronic variable-geometry turbocharger maximises fuel efficiency. The electronically-controlled all-wheel drive system reduces wheel slippage and provides greater driver control when road conditions are poor.

Active AWD system

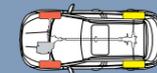

When the AWD system is engaged 60% of the power goes to the rear wheels, and 40% to the front. The system works in tandem with various sophisticated subsystems and a specially-designed chassis to provide off-road performance that is smooth, comfortable and confident.

Mostly 2WD

50:50 torque distribution (4WD lock)

4WD for better stability

e-XGi 160 Petrol engine

Max Power
128ps/6,000rpm

e-XDi 160 Diesel engine

Max Power
115ps/3,400~4,000rpm
Max Torque
300Nm/1,500~2,500rpm

Idle stop & go system

The idle stop & go, or ISG, minimises needless ticking over while the vehicle is at a standstill, improving fuel economy in stop-and-go city driving.

Smart driving modes

One of three different Smart driving modes can be activated with the flip of a control switch to adjust the engine output to specific driving and road conditions, resulting in smoother and more confident operation.

Eco

Eco mode is used generally to reduce fuel consumption.

Power

Power mode is switched on when moving into the passing lane, increasing engine torque for passing other vehicles with ease.

Winter

Winter mode allows the vehicle to start out in second gear, helping to prevent the tires from slipping on icy surfaces.

6-speed manual transmission (with gear-shift indicator)

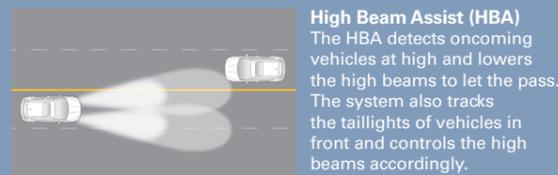

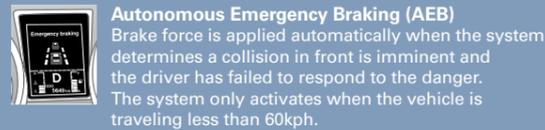

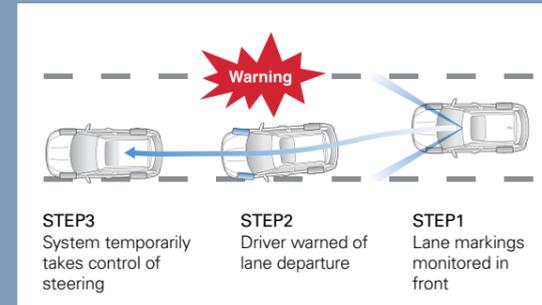

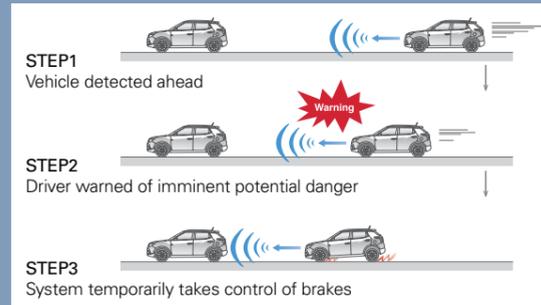

AISIN 6-speed automatic transmission

Offering more active safety systems than ever

The Tivoli comes equipped with many of the same smart safety technologies found on high-end sedans. Some of these state-of-the-art systems anticipate an imminent threat and ensure the appropriate response, while others generally make driving easier and safer.

*The systems shown above are designed to enhance driving convenience and safety, but they may not operate under all conditions. Contact your local dealer for details.

Extensive use (71.4%) of high tensile-strength steel plate minimises frame deformation in a collision for maximum protection of vehicular occupants.

Putting your family first with unparalleled safety specifications

The Tivoli is built to an extremely high level of strength and safety, with 71.4 percent of the body construction consisting of high-strength steel, of which some 40 percent is advanced high-strength steel. To minimise collision impacts, ten key areas of the vehicle have been reinforced with hot-formed steel, which increases the steel's impact resistance to 1,500Mpa, as opposed to just 280Mpa for plain steel. In addition, a total of seven airbags are deployed around the cabin, including one to protect the driver's knees.

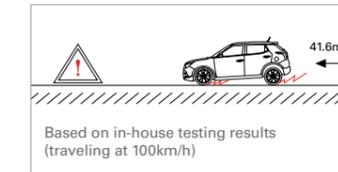

7 Airbags

- 1 Driver's frontal airbag
- 2 Driver's knee airbag
- 3 Front passenger's frontal airbag
- 4, 5 Side airbags in the front row (left and right)
- 6, 7 Curtain airbags (left and right)

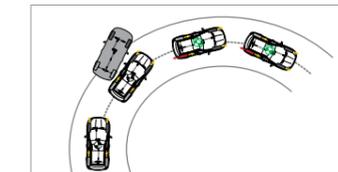

Ultra-high-tensile steel plate at ten key points in the frame to further enhance occupant safety.

Braking Distance

Large disc brakes front and back perform superbly under diverse driving conditions.

Disc brakes
(Front: ventilated disc / Rear: disc)

Electronic Stability Programme (ESP)

The electronic stability programme monitors road conditions and vehicular status constantly, adjusting engine output and braking whenever the driver is about to lose control. The ESP integrates the antilock brake system, active rollover protection, anti-slip regulation and brake-force assist to improve the Tivoli intervention capabilities.

Hill start assist (HSA)

Tyre pressure monitoring system (TPMS)

Outside parking sensors and camera in rear

Safety belt dual pretensioner

Setting new standards for a compact SUV

The Tivoli offers great style, class-leading safety and dynamic driving.
It's a smart choice for anyone who wants to look good and have fun while going places.

FEATURES LIST

MECHANICAL

128ps 1.6-litre e-XGi160 petrol engine
115ps 1.6-litre e-XDi160 diesel engine
Active AWD with lock mode
6-speed manual transmission with gear change indicator
6-speed automatic transmission with manual gear change selection
Macpherson strut front suspension
Torsion-beam rear suspension (2WD)
Multi-link rear suspension (AWD)
Electric power steering (EPS)
Voltage stabiliser (regulation region only)
Fuel tank - 47 litre capacity
Smart steer system (Normal, Comfort and Sport Mode)
Idle, stop & go (ISG) system with manual transmission

APPEARANCE

New front bumper design
Piano-black radiator grille
Bright chrome molding on belt line and bonnet edge
Solar controlled glass - windscreen and front door windows
Privacy glass for rear door windows and tailgate
Fashionable silver roof rails
New fashionable black roof rails
Sporty rear spoiler with high mounted LED stop lamp
18" alloy wheels with 215/45R tyres - diamond cut or black
18" alloy wheels with 215/45R tyres
16" alloy wheels with 205/60R tyres
16" steel wheels with 205/60R tyres
Tyre repair kit
125/80R16 emergency spare tyre
Full-sized spare tyre
Leather steering wheel cover
Urethane steering wheel cover
Leather-covered gear knob
Urethane gear knob
Silver accented instrument panel with beige and black interior
New silver and brown accented instrument panel with brown interior
Silver and red accented instrument panel with red interior
Floor mats

Projection headlamps
Level adjustable projection headlamps
Level adjustable HID headlamps
LED daytime running lamps
Rear combination lamp with LED
Side repeater on the fender
Two-tone lower mouldings
Exterior door handles in body colour
Hybrid wiper blades
Interior door handles in chrome
Interior door handles in silver (standard)
Stainless steel front door scuff
PVC front door scuff (standard)
Organ type accelerator pedal
Two-tone exterior colours (optional)
New mood lighting on door trim and central fascia

SEATING

6-way powered driver's seat
Height adjustable driver's seat
60:40 split folding rear seats with fold down central armrest including cup holder
New premium brown-coloured leather upholstery with quilting pattern
Black-coloured leather upholstery
Red-coloured leather upholstery
Thermoplastic polyurethane (TPU) and cloth combination upholstery
Beige-coloured leather upholstery
Woven cloth upholstery
Ventilated front seats
Heated front seats
Adjustable front seat headrests
32.5° reclining rear seats

CLIMATE CONTROL

Fully automatic air conditioning with dual zone, temperature sensor and digital display
Manual air conditioning (standard)
Rear heating duct to optimise climate control throughout the vehicle
Positive temperature coefficient (PTC) heater with diesel engine

CONVENIENCE

Super vision instrument cluster with a choice of six back light colour options
Conventional instrument cluster (standard)
LED repeaters on exterior mirrors
LED repeater on fender (standard)
Electronic cruise control
2-DIN audio system with MP3 player and iPod / iPhone connector (with RDS)
7" high-resolution touch screen with audio streaming and link to rearview camera
TomTom navigation system with 7" display rearview camera and audio streaming, iPod/iPhone connector and traffic message channel (TMC) (EU region only)
USB memory slot, Aux. port and HDMI port
Bluetooth hands-free
Roof-mounted pole antenna
Heated rear window with defrost timer
Powered safety sunroof - slide & tilt - and roof blind
Safety power window on driver side
Remote keyless entry system with folding key and panic alarm
Dual smart key with electronic steering column lock
Six speakers, including two tweeters for high level sound output
Steering wheel-mounted audio controls
Trip computer with outside temperature gauge
12V DC power outlets beneath the instrument panel and in the cargo room
Exterior mirrors - electrically adjusted, folded & heated
Automatic headlamp activation and rain sensing wipers
Portable ashtray
Keyhole illumination
Digital clock
Dual gas-filled tailgate struts
Centre storage console
Tailgate mounted handgrip for easy closing
Cup holders on the front console
Sun visors with illuminated vanity mirror
Sun visor vanity mirror (standard)
Luggage cover and load net
Height adjustable luggage board and luggage side cover
Toolbox in the cargo room
Electronic tailgate release

Telescopic and tilting steering wheel
Heated steering wheel cover

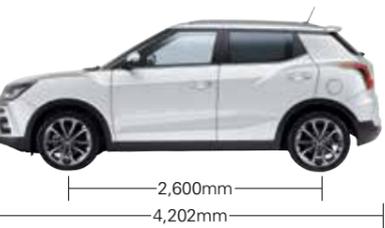

SAFETY

Autonomous emergency braking system (AEBS)
Forward collision warning (FCW)
Lane departure warning system (LDWS)
Lane keeping assist system (LKAS)
High beam assist (HBA)
Traffic sign recognition (TSR) : EU region only
Reinforced monocoque body structure
Door impact beams for optimal protection from side impact
Front airbags for driver and passenger
Safety belt load limiters and dual pre-tensioners
Curtain airbags front and rear
Side airbags for first row
Knee airbag for driver
Airbag On / Off switch for front passenger
Rear parking sensors
Front parking sensors
4-channel anti-lock braking system
Electronic stability programme with hydraulic brake assist, hill start assist, and active roll-over protection
Emergency stop signals
Ventilated front disc brakes
Rear disc brakes
New LED front fog lamps
Bulb-type front fog lamps
Rear fog lamp
Door-mounted courtesy lights
Immobiliser anti-theft system
Intermittent rear window wiper and washer
Hand-operated parking brake
Childproof safety locks
Automatic speed-sensing door locks
Height-adjustable safety belt (front)
Reminder alarm with speed-sensing feature for front and rear safety belts
3-point central rear safety belt
ISO-FIX and tether anchorage for child seat
Electro-chromatic rearview mirror
Tyre pressure monitoring system (TPMS)
Visual VIN
